

## HOME DISCUSSIONS: A resource idea for your congregation

- **Share “Remember when...”** stories about time you have spent with each other. What made those times memorable?
- **What would you do** if you had quite a large amount of money to give away? What difference might such a gift make in the lives of the people?
- **Start a list of what you are thankful for** to put on the refrigerator or on your bathroom mirror. Share why you put certain things on the list. You have just shown your gratitude by doing this. How else might you show gratitude?
- **Think about what you would do** if you had three extra hours tomorrow to help anyone, anywhere. Whom would you help? Why? How?
- **For you, what is the difference between a need and a want?** Share a story about a time you thought you needed something. Then share a story about a time you wanted something so much it almost seemed like you needed it.
- **Share a story** about a time you felt God’s presence in the past week.
- **When someone asks you for support** (money or time), how do you decide whether or not to give that support? What influences your decision the most?
