

GOD COULD USE  
SOMEONE LIKE YOU.

Today I had the privilege of being with some senior year students at Luther Seminary. We were together to talk about the process of interviewing with congregational call committees for their first calls.

As I have been on many previous occasions, I was impressed by the depth of their care for this church and for God's people.

Preparing individuals for ministry—both clergy and lay—is a responsibility that we all share. Knowing that leaders are equipped and passionate for their work on behalf of the Kingdom of God is a joyous task that requires generosity from all of us.

For this, and for countless other ministries supported and blessed by your gifts to Mission Support, **thank you**. What no one of us could do alone, we all can do together. Your contribution to Mission Support makes possible work in Jesus' name in Minneapolis and to the ends of the earth.

Be sure to continue to check out our Stewardship and Mission Support Storytelling resource on the web at <http://makingchristknown.wordpress.com>. Please let me know if there are other ways we can support your ministry.

Thank you – and God's peace,
